Invitation for Vendor Registration at STELCO

STELCO is pleased to announce the opening of its Vendor Registration, offering an opportunity for both local and international vendors to be listed in our vendor registry.

By becoming a registered vendor, companies will be eligible to participate in STELCO's procurement activities. This registration process ensures equal opportunities for all interested suppliers.

We invite all eligible vendors to register by completing the enclosed Vendor Registration Form provided with this announcement and submitting it via email, along with the required documentation as specified in the form. For further details or assistance, please contact our team at **vendor@stelco.com.mv** or call us at 3034677 and 3338156.

We look forward to receiving applications from interested vendors. Thank you for your interest in becoming a vendor with us.
